

Home Group meetings will resume at the Lapta home of Richard and Christine Dobbs from Tuesday 12th Feb. for 3/4 weeks at the usual time of 11am, where we shall be learning more about the Lord's Prayer, its significance, and including prayer more widely and its importance to us and our church. All welcome. If interested please contact Richard 0533 844 9965.

The re-formatted Thursday morning Holy Communion services at 10:00am each week in St. Andrew's where, instead of a sermon a discussion is held between those present on a particular topic or scripture reading, has proved to be very popular.

Starting on **Thursday 14th February 2019** a more structured discussion will be held in the Hall AFTER the service each week starting at approx. **10:45am**. This will take the form of a study of the *Epistle of James* and is based on a book by the well-known author **Tom Wright**.

There are 9 sessions in all and, although starting a little early in the year, it will be the Lent Study for 2019. Refreshments will be available during each session.

All are welcome, whether attending the Communion service beforehand or not.

*If you would like to attend please bring along a bible and a notepad. Please also let the **Revd Michael** or **Steve Bishop** know so that we can make provision for the number attending*

'Every generation in the church worries, rightly, about people who just glide along, who appear to enjoy what they hear, and yet don't seem to make any real difference. James faced a similar situation during the very first days of the church. So, it's not surprising that translating belief into action – making sure that faith is the real thing – is near the heart of his message. That kind of faith, he explains, is the faith that matters, the faith that justifies, the faith that saves. We need that kind of faith today. These nine studies on James's passionate letter help us to live out a faith that makes a difference.'

The guest speaker for the next **Mens Meet** on **Wednesday 20th February** is Dave Vollans who will talk about his ride from apprentice carpenter to advisor of a parliamentary committee. **Please contact Gordon Hayes to let him know if you are interested in attending.** [gordondhayes@aol.com](mailto:gordondhayes@aol.com) or **0533 887 9142**
