Consecration of the Church of the Epiphany Doha 29th September Related by John Worton-Griffiths

Fr Bill Schwartz the Archdeacon in the Gulf and a long standing friend of St Andrews has worked tirelessly to see the Doha Anglican Centre through to completion. When we heard that a date had finally been fixed for the consecration of the Church of the Epiphany at the heart of the Centre, Jenny and I made plans to travel to Doha from Cyprus for the weekend. We represented the Friends of the Diocese and were able to carry greetings from St Andrews.

We arrived in the early hours of Friday morning and after a short sleep joined the Friday worship at the Anglican centre, just one of the complexes alongside Catholic, Orthodox, Indian in the "religious area". Cars were parked on every available piece of land and thank goodness we went by taxi. The Anglican centre was bursting at the seams with so many different services taking place, it seemed as though the Christian world had all decided to visit Doha on the same day.

Our Clergy and Friends arrived over the next two days with informal gatherings and a stone laying by our Bishops and Archdeacons past and present. Not a skill taught at theological college, so the craftsmanship was fun to watch. The weekend culminated in the joyful service of thanksgiving and consecration on Sunday evening.

Fr Bill wrote in introduction to the service.

"The **Anglican Centre in Doha**, Qatar, has been built with the kind permission of His Highness The Father Emir, Sheikh Hamad bin Khalifa Al Thani, on a site leased by the State of Qatar. The Centre is also the spiritual home for the Anglican congregation and many other Christian congregations and groups who worship there. This Ecumenical tradition of hospitality is well established in the Anglican Church in the Gulf, where many Christian groups do not have their own dedicated buildings. We

currently accommodate over 60 other Evangelical, Pentecostal and Protestant congregations at the Anglican Centre!

The **Church of the Epiphany** sanctuary was a dream for many Anglicans for many years. Early discussions, plans and fund-raising began in 1999. The scope of the project has changed and grown over the years as the expatriate population in Qatar has grown and changed and now the sanctuary is one of many places for worship in the Anglican Centre.

It is our hope that entering the sanctuary will call to mind our citizenship in heaven; that the administration of sacraments and preaching of the Gospel will draw persons of all nations to a deeper fullness in our mutual calling to represent Christ as his Body in this place; most of all, that God's glory may be experienced by all who worship here."

As Bishop Michael consecrates the sanctuary, the altar, the lectern and the baptismal font today, hallowing these symbols of God's grace for his people, let us all rejoice in his goodness to us. And they sang responsively, praising and giving thanks to the LORD, "For he is good, for his steadfast love endures forever toward Israel."

And all the people responded with a great shout when they praised the LORD, because the foundation of the house of the LORD was laid. Ezra 3:11

The Reredos over the altar was designed and painted by Mark Cazelet.

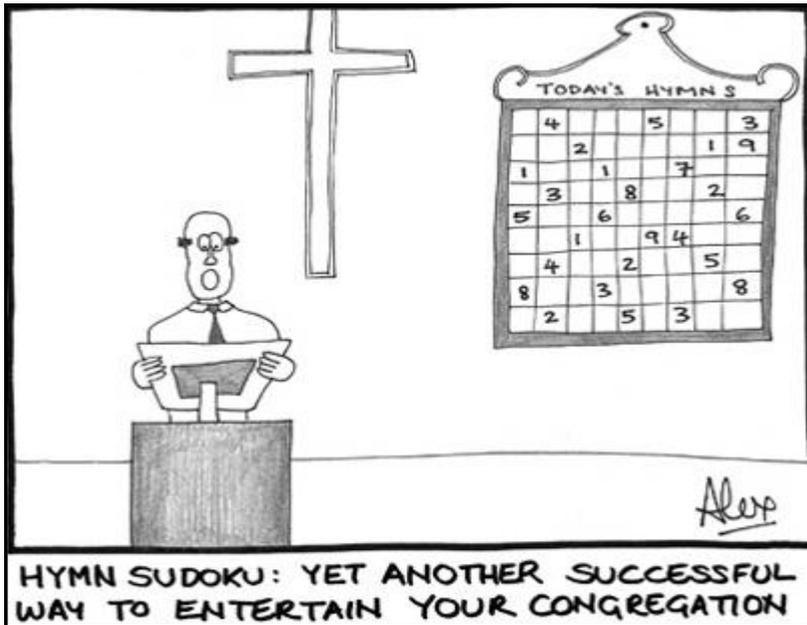

The tessalated combination of colours reflects the many nationalities and traditions which make up the congregations worshipping in the Church of the Epiphany.

The Cross-shaped star reminds us of the cross of Christ, who is the light of the world. *'In him was life, and the life was the light of all people. The light shines in the darkness, and the darkness did not overcome it.'* John 1:4-5

The image of a star reminds us of the Epiphany star which appeared at the time of Christ's birth, and the response of the Magi who traveled a great distance to experience the fullness of the revelation of the saviour of the world. *'For we observed his star at its rising, and have come to pay him homage.'* Matthew 2:2b

The Friends of St Andrew's

Hello again,

As I write this the wind is blowing a hooley outside and I am wondering if I dare hang out the washing. If I do then the next question would be - will it still be on the line in half an hour, when it will certainly be dry, or will it be half way across the Mediterranean. I seem to think that we have had many more gusty periods over the past few months than before, or it could just be that my memory is failing. Back to our Centenary Celebrations and I must tell you all that we have had over the passed month. On 27th September Fikri Toros arranged a wonderful evening of music to entertain us in the church. Eran Raman played the flute and

Katie Economidou, a Mezzo Soprano from the South ,both performed solos and duets accompanied by Fikri on keyboard. The evening was a sellout with 119 people seated in the church. Our grateful thanks to these generous people as they performed without any cost in celebration of our Centenary. From

donations at this event we raised over 1700lira .

Then came the Dinnner Dance held at Deniz Kizi Hotel beach restaurant. We had a few windy days previously but it had calmed down by the Friday. However, the moment we all arrived the wind came up and continued to blow all evening. Did we care?? No, we all accepted that we were going to enjoy the evening and settled down to our meal and then the dancing. There were some strange sights however. The ladies all looked delightful in their finery and the men splendid in their DJ's but as the evening progressed several of the ladies appeared in white wraps!!

These were, in fact, the large white drapes that many hotels here use to decorate the chairs at functions. Those ladies who had the initive to put them to better use are to be congratulated. We were entertained by

Werner & his Steam Machine and a lovely singer called Christina. The majority got into the dancing mood after realising that this was the best way to keep warm, huddled together on the dance floor. In all it was a great evening which would not have happened without the organization beforehand and on the night by Geraldine and Werner so many thanks to them. Also to all those who stuck it out as over 1500TI was raised towards the Centenary funds.

The last event to take place was the Centenary Quiz organised by Joan Standing, who has done the Autumn quiz for the passed 2 or 3 years. I regard this as the "low scoring" quiz as Joan

always succeeds in finding the obscure questions to which I do not

know the answers. Having said that I don't usually do very well at any of the quizzes! She managed to cram 16 tables, with teams of four at each, into the Church hall, feed us with delicious chilli, refrain from shouting when people asked for questions to be repeated and raise over 1600 lira at the end of the evening. Many thanks to Joan who must have spent all summer finding those questions, Dave at the bar, Bob for scoring and Pat in

the kitchen plus all those who baked potatoes to go with the chilli.

At the risk of repeating myself, without volunteers, none of these events would have happened so a huge thank you to you all.

Our celebrations haven't finished yet as in November we have an "All day birthday cake" on Saturday 16th and a Centenary Service led by Bishop Michael on 30th.

On 5th December the Kyrenia Chamber Choir are giving a concert on our behalf covering 100 years of music. This will be performed in Bellapais Abbey and, having seen the programme, I can assure you this one that should not be missed so if you are going to be around make sure you get your tickets early. There will also be what has become our annual Victorian Evening on 18th December and the Festival of 9 Lessons and Carols on a date yet to be decided.

You will have noticed that I have not mentioned our new Chaplain as she has not yet arrived so I will tell you more next month.

I will stop before you get tired of reading my chatter so until next month

Bye for now,

Wendy

wendydavies01@googlemail.com

NOT QUITE WHAT WE EXPECTED

'That's life' has been uttered by numberless people across the years as things didn't work out as they expected them to. A warden's life is proving to be a great *pot pourri*. Our new chaplain is delayed and the reaction across the fellowship has been very mixed to say the least. Quite candidly, we have a system for selection that we understand went through Synod, which tells us that we must be very strongly represented at that gathering in the future if we are to have our input, and influence future changes. As I see it, our short-listing was as good as it could have been apart from an American candidate whom we chose not to invite at the time because of cost implications. He has subsequently proved not to be the material we might have hoped he would have been anyway. Surprisingly we interviewed two ladies and a gentleman and all expected the gentleman to come through head and shoulders above everyone else. In interview the reality was that only one of the three was employable, the Rev. Wendy Hough, who was democratically elected by the procedure established at Synod. Personal issues were explored with her as well as her 'fit' within our community. Family matters, the context of the TRNC, and her single status were all questioned. The family factor has raised its head, hence the deferral of Wendy's licensing till 12th April 2014, just before Easter. Feeling enormous pressure over all this, Wendy Davies and I had earlier agreed the situation needed opening up to full Council. We reported to Bishop Michael and he subsequently convened a meeting on Saturday 19th October with Council and Wendy Hough, to test the situation. Out of this came the pathway forward that we all know about.

The problem with any church fellowship is that Faith, our experience of knowing Christ in our lives and our walk with Him, leaves us, with the strongest views, even divergent views about our local church's operation. Add in our life experience of other formalised organisations and the headaches can become enormous. To all of you who love St Andrew's we pray that love

can abound and that we can unite, pulling together with common purpose to proclaim God's love in this place through Christ reflected in our lives. Prejudices can damage and divide and as John Davies comes to us on November 5th to support our continuing interregnum till after Christmas, we pray that he will help us unite under the banner of Faith preparing for the climax of our Centenary celebrations, Christmas, the New Year and Wendy's arrival.

Bless you all,
George & Wendy (Wardens)

CORRECTION TO OCTOBER MAGAZINE

WHERE IS GOD IN NATURAL DISASTERS—Page 24 - 2nd paragraph

“Christ is the eternal Word of God, through whom all things were made. He sustains the universe in being. He “became flesh and lived among us” i.e. He became part of his own creation, thereby affirming matter and affirming human life. There is much beauty in the world and it has been superbly said that “The beauty of the world is Christ’s tender smile for us coming through matter.” This is an important truth to reflect upon. And yet, in the light of recent natural disasters we are driven to ask, “But what of the ugliness of the world? What about hurricane and volcano, earthquake and tsunami and the appalling devastation and suffering they inflict? There is no simple or fully satisfying answer. Yet we have to say, I think - that although Christ the Word is the agent of creation and - in some sense - present within it, he does not intend everything that happens within it! By no means everything that happens is the will of God.”

Apologies to John Kemp who kindly provided us with this article.

THURSDAY GROUP

Meetings returned to Kervansaray Cafe after our visit to Olive Press bowling Club and it has been good to see friends who stopped by to have a coffee and "Catch up."

A Cypriot friend, Nuran, has long been a supplier of clothes to those of us who were fortunate to know her. In the days when there was a short supply of "suitable" clothing, Nuran always found something in her stock to fill our needs! During a recent sort out, she was able to give me a huge suitcase full of new and nearly new items to sell for Church funds. I decided the best way to dispose of these would be to hold a Coffee Morning at my house and allow the ladies to have a good old Rummage! This happened last Thursday and we managed to raise 330tl during the morning. Thankyou to all who came to support this event. The residue of clothing will benefit the two Cancer Charities. A return to Kervan this week, will be our last this year.

One of the ladies who helped arrange flowers at our Flower Festival in May, is Kathryn, who has kindly agreed to give us a Demonstration of Christmas Crafty items suitable for us to make for our annual Christmas Fayre. Kathryn will come to the Church Hall on Thursday 31st

October.

The visit to Ozerlat Coffee factory will now take place on Thursday November 7th. Lunch afterwards will be at Hamur Evi in Lefkoşa, where we enjoyed an excellent meal earlier in the Summer.

Christmas Fayre preparations will continue in the Hall and our annual Christmas "bring and share " lunch will be at Linda's home on December 12th. More details next month. Till then take care and don't forget to sort out those cupboards to look for items for the Christmas Fayre!

Moina Michael: “The Poppy Lady”

Moina Belle Michael was born near Good Hope, Walton County, Georgia, USA on August 15, 1869. At the age of 15 Moina began her career as a teacher, spending time in every section of the educational system in Georgia, teaching in county, town, state and church schools.

The idea for the Flanders Fields Memorial Poppy came to Moina Michael while she was working at the YMCA Overseas War Secretaries headquarters on a Saturday morning in November 1918, two days before the Armistice was declared at 11 o'clock on 11 November

At about 10.30am, when everyone was on duty elsewhere, Moina found a few moments to read the magazine. In it she came across a page that carried a vivid color illustration for the poem “We Shall Not Sleep” (later named “In Flanders Fields”) written by the Canadian Army doctor John McCrae.

Reading the poem on this occasion - she had read it many times before - Moina was transfixed by the last verse -

“To you from failing hands we throw the Torch;
be yours to hold it high.
If ye break faith with us who die,
we shall not sleep,
though poppies grow in Flanders Fields.”

At that moment Moina Michael made a personal pledge to ‘keep the faith’ and vowed always to wear a red poppy of

Flanders Fields as a sign of remembrance and as an emblem for “keeping the faith with all who died.”

Compelled to make a note of this pledge she hastily scribbled down a response on the back of a used envelope, entitled “We Shall Keep the Faith”

Moina Michael died on 10 May 1944

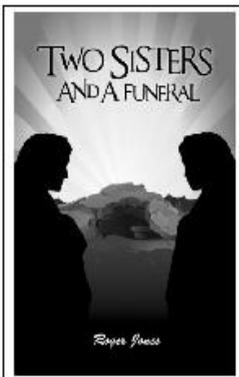

WE SHALL KEEP THE FAITH

We Shall Keep the Faith
Oh! you who sleep in Flanders Fields,
Sleep sweet – to rise anew!
We caught the torch you threw
And holding high, we keep the Faith
With All who died.

We cherish, too, the poppy red
That grows on fields where valor led;
It seems to signal to the skies
That blood of heroes never dies,
But lends a luster to the red
Of the flower that blooms above the dead
In Flanders Fields.

And now the Torch and Poppy Red
We wear in honor of our dead.
Fear not that ye have died for naught;
We'll teach the lesson that ye wrought
In Flanders Fields.
