We continue to offer up our prayers for the people of Israel and  
Palestine who are still having to bear so much suffering. We pray that  
peace will return to the area soon. We also remember others in our  
world affected by conflict and tragedies; for an end to all conflict; for  
refugees trying to reach safety over land and water; and for all who  
suffer as a result of human wickedness, wilfulness and waywardness.
